

Community Grants

What we can Fund

Improving Community Connectedness and Social Wellbeing:

intended to improve wellbeing and support the ongoing recovery needs of communities (*for example – activities and events that bring people together, activity based workshops and programs, psychosocial support programs and projects.*)

Community Capacity Building for Future Disasters:

intended to build the capacity of the community to manage bushfires and other potential disasters in the future, helping to address the anxieties evident in bushfire affected communities regarding the threat of future bushfires.

Community Events and Arts Programs:

intended to help relieve distress through events and programs that allow people to share their experiences, commemorate their recovery progress and build, promote and strengthen a sense of community identity.

Reconnecting Community with Nature:

intended to provide relief by establishing informal support networks, allowing communities to engage and share experiences of bushfire recovery and gain a better understanding of their local natural environment through active participation in environmental projects.

What must not be funded:

- To support business (including Primary Producers)
- For any profit making activities'
- For commercial interests
- For any activities that are core service and/or responsibility of government
- For the relief of distress that is not a direct result of the bushfires
- For people outside Australia
- For activities that are not for the relief of people, e.g. assisting animals is not permitted for activities that are only for the purpose of sport or recreation.
- For activities unrelated to the disaster or unrelated to bushfire recovery.
